

# The Hertzian Herald

## D Fritz Bitz:

It's Monday morning after the Hamfest. I don't mind telling you, I had a long week and I am a little tired this morning. I thought everything went very good this weekend. The weather was picture perfect and except for a glitch in the Fairgrounds PA system, I don't think you could ask for a better day. I don't have the final numbers yet, but I'd say we had over 800 people and probably more trunk sale than I have ever seen. People told me all day what a great Hamfest it was. I was happy.

I would like to thank everyone who came out for setup and teardown. Things went very smooth and we were in and out in good time. I would also like to thank the people that sold tickets and helped with parking Sunday. These are the regular people who make the show itself run smoothly. Great job! Thanks to Mike, N8KUF, and Dale, KA8EFK, for working the club information table and the prize drawings, and to Paul, W8IP, for working the club sales tables.

Special thanks goes out to Fred, K8EBI, for everything he does for the Hamfest. Most people don't know but Fred starts putting this together in October. He works for 9 months getting ready for this. Without Fred's organization and planning, we would never be able to pull this off so special kudos to Fred.

I'm looking forward to seeing the final numbers but I think we did good this year. Again, thanks to EVERYONE who helped put together and work the Hamfest. And now, on to field day. See you at the meeting.

So, until next month, 73  
Don Fritz, N8BZN

## MCRCA Meeting Minutes for May 15, 2025

Meeting called to order at 7:30 pm, by Don N8BZN.

Pledge of Allegiance

Introductions: No new members, upgrades or guests.

MINUTES: Motion by Scott W8SMB, supported by Doug KF8CCH, to approve as written in the Herald. Approved.

TREASURER REPORT: Motion by Dale WA8EFK, supported by Tom KG8P, to approve the treasurer's report as passed out to the membership. Approved.

DX REPORT: Tom KG8P, A big event: Prince Edward and Marion Island, a Slavic was there for 2 weeks, a lot of contacts. USA made up 19% of them and Europe 40%. He worked 130 countries 11 out of 340 Entities. Spaceweather.com for more info on Solar Cycles.

CONTESTING: Paul W8PI, Paul won one of the state contests.

TESTING: Paul - Next session - Sat. June 21, 2025. **Appointments Preferred - FRN and email req'd**

CLASSES: Don - Next class - Sat. Aug. 9, 2025 contact Don N8BZN – **Technician class**

**Hamfest – Don** – Last meeting before hamfest. Don's post cards were sent May 23<sup>rd</sup>.

**Field Day – Paul** - Field Day Vienna park has been reserved for June 28 & 29th. Proof of Insurance sent.

ARPSC – Terry N8NYP, setting up at Vienna Park for field kit testing. Erie Race for the kids Saturday June 14<sup>th</sup>, sign up online.

RRRA: Mike N8KUF, the annual meeting went well. Repeater equipment for 220 to 440 restored, Cross link abandoned. May 31<sup>st</sup> 9 am clean up at Ida repeater site.

OLD BUSINESS: Club T-shirts, Barb NM8I

NEW BUSINESS: Scholarship vote. **William Ingels - Bedford**, and **Mitchell Kostoff - MC Middle College**.

Motion by Aaron KE8PUN and supported by Tom to approve the scholarship to William Ingles, approved.

DOOR PRIZE DRAWING: Jill Stein and Omar KF8AYH  
50/50: Jill Stein

ANNOUNCEMENTS: Dayton Hamfest May 16-18th. Anyone having articles for the Hertzian Herald please email them to Fred K8EBI

PROGRAM: Learn how to insure your valuable radio gear. The regular guy was sick and replaced by a video on RF Exposure.

ADJOURNED: 8:15 pm

ATTENDANCE: 15

## FreeDV 2.0.0 released

**JUNE 4, 2025 BY K6AQ**

FreeDV 2.0.0 has been released, containing the first official release of the RADE V1 mode previously trialled over several preview releases. Radio Autoencoder (RADE) technology is a new approach to sending speech over HF radio. It combines Machine Learning (ML) with classical DSP to send high quality speech over HF radio at SNRs as low as -2dB in a bandwidth of 1500 Hz.

As part of this effort, deprecated modes (700C, 800XA, 2020 and 2020B) have been removed from the application. Additionally, this contains numerous bug fixes and non-RADE specific enhancements from the last official release (1.9.9.2).

It can be downloaded using the following links:

Windows: [https://github.com/drowe67/freedv-gui/releases/download/v2.0.0/FreeDV-2.0.0-windows-x86\\_64.exe](https://github.com/drowe67/freedv-gui/releases/download/v2.0.0/FreeDV-2.0.0-windows-x86_64.exe)

macOS: <https://github.com/drowe67/freedv-gui/releases/download/v2.0.0/FreeDV.dmg>

More information about this release, including changelog, can be found on GitHub release page: <https://github.com/drowe67/freedv-gui/releases/tag/v2.0.0>

**One Reply to “FreeDV 2.0.0 released”**

**JUNE 8, 2025 AT 7:12 AM**

This news about 2.0, IS, FANTASTIC!!!! What I love is, hf digital voice that you can hear signals and copy hf digital voice at minus 2 DB, which is 2 db BELOW, the noise floor!!!! SSB cannot do that!!!! THAT message, is what will make hams adopt, and use freeDV!!!

73, Trippy, AC8S

## June Club Program.

( If this sounds familiar, it should, it is the rescheduled program originally set for May)

So you park your car at the big box store and do some shopping. Upon return you find your passenger window shattered and your door scratched.

NUTS!

Some darned vandal got it. Wait!!! Your new Super Band-Banger XIV ham rig is gone and so is your Hand Held radio!

And they were not insured. You are out a Kilobucks for certain.

But this does not have to be you. Learn about how to insure your valuable radio gear at the June MCRCA meeting when Steve Orłowski KE8MFY gives us the full details on the ARRL Equipment insurance plan. We can all be safe and secure knowing that our equipment is adequately covered in case of loss.

See you there.

## SkyRoof: New Ham Satellite Tracking and SDR Receiver Software

June 5, 2025

Recently VE3NEA has [released a new Windows program called "SkyRoof"](#). SkyRoof is both a satellite tracking and SDR receiver program. It supports the RTL-SDR as well as Airspy and SDRplay devices.

The software is designed for tracking and receiving ham radio satellites, and it can provide detailed information about all ham satellites, tracking them in real time, and provide pass prediction. It also shows a skymap and SDR waterfall display. The receiver software supports demodulation of SSB/CW/FM, and it automatically compensates for doppler. It can also interface with antenna rotators that support hamlib.

Over on YouTube Johnson's Techworld has also recently uploaded a video showing him testing out Skyroof, which may be of interest to some.

**Brief review of SkyRoof, the latest satellite tracking software!**

<https://www.rtl-sdr.com/skyroof-new-ham-satellite-tracking-and-sdr-receiver-software/>

**MCRCA Dues run from January 1st to December 31st.**  
**Please check your name on the sheet below to see where you stand.**  
**You can fill out the form on the next page to pay your dues.**

## Amateur Radio Examinations Monroe, MI

Monroe County Radio Communications Association Amateur Radio examinations are held the 3<sup>rd</sup> Saturday of every even numbered month at:

American Red Cross Chapter Bldg.  
1645 North Dixie Highway  
Monroe, MI 48161

**Registrations preferred**  
**Call for information.**  
**email address and FRN required**

**2025 Schedule:**  
February 15    April 19  
June 21        August 16  
October 18    December 20

### TESTING BEGINS PROMPTLY AT 9:00 AM

Applicants are expected to have all forms filled out and be ready to take tests at that time. Coffee and doughnuts are available at 8:30 AM. For more information or to make reservations, call Paul Trouten - W8PI at 734-854-2224

#### Join us at the next meeting

June 19th 7:30 pm  
American Red Cross Chapter Bldg.  
1645 North Dixie Highway  
Monroe, MI 48162

#### Local Net

ARPSC Net - Every Monday evening on '72-Monroe (146.72 Mhz) starting at 8:00pm.

ARPSC Meeting first Thursday of every month at the EMD office on Raisinville Rd.. 7:00 PM

## One Day Bi-Monthly Technician classes

### Next class will be August 9th, 2025, due to hamfest in June

The Monroe County Radio Communications Association (MCRCA) is offering a one-day Amateur Radio course for the **Technician** class license. The class will run from 8:30 AM to 4:00 PM on the **second Saturday of every even numbered month**. The cost is \$10 and includes lunch, snacks and beverages. The test will be conducted immediately following the class and has a separate fee of \$14. These classes will be held at the Red Cross building, 1645 N Dixie Hwy, Monroe, MI 48162.

There is a maximum class size of 10 people on a first come first served basis and you should sign up no later than 1 week before the class. All study material and testing paperwork will be provided at the time you sign up and you should plan on doing some pre-class studying to make things easier in the class.

If you are interested in becoming a Ham Radio Operator, please call or email me to get signed up for the next class.

N8BZN Don Fritz / (419) 345-4495 after 6PM / [Donfritz56@gmail.com](mailto:Donfritz56@gmail.com)

## New MCRCA Members

Please welcome recent new members to the club.
